Hello Tim,

We met on 1/13/23 and it was my understanding you were heading up the Carus hotline for the Fire. Paul Ruesch and I have been contacted by **Ex. 6 Personal Privacy (PP)** Ave several times now and I'm trying to get the full picture of contacts and assessments for his property. Would you be able to provide me with stats on contacts with him, any work that was done on his property, and if a insurance claims person has been at the property? I'm heading over there with Illinois EPA tomorrow and would like to know the full story.

Thanks,

Rob
